

The Gluten Intolerance Group's Gluten-Free Certification Organization (GFCO) Announces 48 Products Certified in March

Certifications across different categories show continued growth of demand for gluten-free products

AUBURN, Wash. (April 6, 2017)—The Gluten Intolerance Group (GIG), the industry leader in the certification of gluten-free products and food services, announced today that 48 products were certified by its [Gluten-Free Certification Organization](#) (GFCO) program during March. Gluten-free certifications were awarded to 19 beverage, 16 food and 13 supplement products, showing the continued growth of gluten-free products across different categories. The products ranged from protein powder to cider to chips. The following is the list of gluten-free products certified by GFCO in March:

- **Ascent**—Micellar Casein Protein Powder (Chocolate, Vanilla Bean), Whey Protein Powder Blend (Chocolate Lemon Sorbet, Unflavored, Vanilla Bean)

- **Wyder's**—Wyder's Dry Pear, Wyder's Dry Raspberry, Wyder's Prickly Pineapple (ciders)

Products certified by GFCO carry the GF logo—an easily identified certification seal that provides consumer assurance that the product meets the strictest gluten-free standards. GFCO certifies, both, that a company's processes and facilities meet GFCO's standards, and also that the products produced meet a standard of 10 ppm-or-less gluten.

About the Gluten Intolerance Group (GIG)

The Gluten Intolerance Group (GIG) is a 501(c)(3) non-profit association funded by private donations, fundraising, sponsorship opportunities and industry programs. It relies on tax-deductible contributions to support its many innovative industry, service, social and awareness programs. GIG has been a highly respected leader in the Gluten-Free community since it was founded in 1974. In addition to more than 70 local branches across the United States, GIG has increased its presence internationally to over 29 countries. GIG empowers the gluten-free community through consumer support, advocacy and education.

The [Gluten-Free Certification Organization](#) (GFCO), a program of GIG, is a leader in the verification of quality, integrity and purity of gluten-free products. The [Gluten-Free Food Service](#) (GFFS) Certification Program is a proven model of established best practices for food service facilities offering gluten-free options. GIG is committed to ongoing food safety research to assure customers and consumers the highest level of excellence in its gluten-free programs and services. For information, visit www.gluten.org.
